IAEE ANNOUNCES 30TH ANNIVERSARY & SCHOLARSHIP PROGRAM

June 20, 2017– The Iowa Association for Energy Efficiency (IAEE) is excited to announce it is celebrating its 30th Anniversary with a party on June 29 in Des Moines, IA. This party is for current members and those who have played a significant role in the organizations' past to celebrate and reconnect.

IAEE is also launching a new scholarship program to promote and assist current, degree-seeking, Iowa students in studying energy efficiency related fields, with the goal of helping educate future energy efficiency professionals. If you would like more information, please contact Christie Steinbock at 515-512-3236 or email at csteinbock@iowaenergy.org.

The Iowa Association for Energy Efficiency strives to promote the art and science of the efficient use of energy.
